Graduated from the Department of Informatics of the Aristotle University of Thessaloniki. Full-stack developer interested in building projects using Node.js, React, and Drupal with proven skills. Ability to learn quickly and adjust to high-pressure environments. Recently started learning and building skills in quality assurance and automation testing. Always trying to improve myself and become a better engineer.

TOOLS AND TECHNOLOGIES

Coding

Java	Android Mobile Development	C / C++	HTML / CSS	JavaScript	React.js	Redux
GraphQL	Node JS	SQL	PHP	Prolog	Drupal	Python

Project Management

JIRA	Trello

Version Control

GIT	GitHub

Operating Systems

Windows 10	Linux

SKILLS

- Ability and willingness to learn and adopt new practices and methodology quickly.
- Ability to manage multiple projects simultaneously with planning and organization.
- Problem solving capability.

- Data Science and Machine Learning enthusiast.
- Collaboration.
- First steps with ethical hacking and penetration testing.
- Data Analysis.
- Business Intelligence

EDUCATION

BS   September 2017- October 2021
Aristotle University of Thessaloniki, Department of Informatics

Data Structures and Algorithms in Python
Jovian Course   27 April 2021
https://jovian.ai/certificate/MFQTINZZGM

Deep Learning with Pytorch: Zero to GANs
Jovian Course   22 January 2021
https://jovian.ai/certificate/MFQTGOJVGM

Machine Learning
Coursera Course   31 December 2020
https://coursera.org/share/779a24993c988ced8f459542da1f88fe

Google IT Support
Coursera Course   31 December 2020
https://coursera.org/share/4c0dc9ccb36659d4620f2da24a306880

Data Analysis with Python: Zero to Pandas
Jovian Course   24 October 2020
https://jovian.ai/certificate/MFQTEOJSGI

Basic Principles of Digital Marketing
Google Grow Greek Tourism   July 2020
Digital Marketing Certification

Web Analytics: Using Data to Help a Business Grow
Google Grow Greek Tourism   12 April 2019

Google Analytics Seminar

EXPERIENCE

PROFESSIONAL TRAINING

Internship
IT Center of Aristotle University of Thessaloniki   02/2020-07/2020
Description: Front-end development for the thesis platform used by the Department of Biology.
Contribution at the Erasmus Dashboard European Project,   07/2020
Description: Front-end development with React.js and GraphQL. Developed the Dashboard's Single Learning Agreement which can be signed or rejected by the administration of the Institution sending or receiving students.

Internship
European University Foundation   05/10/2020-05/04/2021
Description: Development of the Erasmus Dashboard and Drupal 8 development.
Development of API's to ensure connectivity with other systems. Creation of tests and documentation.

Full-Stack Web Developer
IT Center of Aristotle University of Thessaloniki   04/2021-
Description: Development of the system mobisis (mobisis.auth.gr) for the needs of the Erasmus+ European program. It's purpose is to provide a dashboard for Inter-institutional agreements, learning agreements and nominations. Also, part of the development team for the EWP+ project and the new Erasmus Dashboard European tool.

PROJECTS

Sudoku and Duidoku Android Mobile Application
Description: Android Sudoku application written in Java and XML with Android Studio.

Platform for Informing and Organizing Events for Environmental Purposes
Description: Web application with front-end implemented in React and back-end in Flask. The user can log in or sign up, read news and articles and create and attend environmental events.

Renewable Energy Forecasting
Description: A python machine learning library that includes implementations of algorithms to predict the actual generation of solar and wind energy. This was developed as part of my thesis.

Amazon Automation Testing using Selenium Webdriver
Description: A project in Java JDK 1.8 which attempts to automate tests for some simple tasks like navigation, sign in, add product to cart etc.

VOLUNTEERING

Open House Thessaloniki 2019
Thessaloniki , 10/2019
Duty: Guide

LANGUAGES

Greek	Native Language
English	Proficient English User (C2 Proficiency English)
German	Basic User (A2 Elementary German)
Spanish	Basic communication Skills
